BENEFITS OF SELECTING FRATELLO INNOTECH PVT. LTD. FOR THIS PROJECT INCLUDE:

- ❖ Deep Domain Knowledge and expertise in Project Analysis.
- ❖ Cost Effective Solutions / Value for Money
- ❖ Extraordinary track record for efficient and accurate delivery
- ❖ Extremely impeccable team with good experience.

WORK STRATEGY

The Web / Mobile App development project will be completed in the following way:

1. We will assign a project manager to oversee the project and serve as a single point for project communication. The project team will also consist of additional Web / Mobile developers and other support staff members who will contribute as project requirements dictate.

2. Project work will generally take place at the Provider facilities; however, the project manager will coordinate regular client meetings and evaluations.

3. Project work will be in accordance with approved best practices for web designing.

4. Key requirements for the Web / Mobile App development will be established and documented in early stages to have successful and in time deliverance of project.

5. We are following agile methodology for both mobile and web app developement.
